

Nicholas Anthony Celebrates Success at The International Design & Architecture Awards

Nicholas Anthony, a leading name in luxury interiors, proudly announces its latest achievement, securing the Kitchen Design over £50,000 Award at the prestigious International Design & Architecture Awards 2024. This accolade further reinforces the company's position as a pioneer in kitchen design, with the winning project exemplifying a seamless blend of meticulous British craftsmanship, creativity, and technical precision.

The award-winning kitchen design defies traditional conventions, reimagining the heart of the home into a bespoke, luxurious, and functional space. With a focus on sustainability and innovation, the design showcases the ability to merge cutting-edge technology with timeless beauty, delivering a transformative experience for its clients.

The awards ceremony, held at The Grosvenor House Hotel, brought together the elite of the design and architecture world. For over 14 years, design et al Magazine and The International Design & Architecture Awards have been a hallmark of excellence, recognising and celebrating the very best in the interior design and architecture industries.

Being shortlisted for the awards is considered a high honor, as only the most exceptional projects make it to the final stages. This year, the judging process involved a panel of industry professionals, voting over a four-week period to select the winners. The detailed voting process highlights the significance of the award as a pinnacle of recognition within the design community.

Tony Nicholas, Managing Director of Nicholas Anthony, expressed his delight at this significant win, stating: "We are thrilled and deeply honored to have received the Kitchen Design over £50,000 Award. This recognition underscores our team's dedication to pushing the boundaries of design and delivering exceptional results for our clients. Each project we undertake is a testament to our commitment to innovation, sustainability, and craftsmanship."

Founded in 1963, Nicholas Anthony has established itself as a leading luxury interiors brand with a reputation for creating exquisite kitchens, bathrooms, and home interiors. With showrooms in London, Ascot, Colchester, and Cambridge, the company continues to stay true to its founding principles of individuality, quality, and style while consistently delivering high-end, bespoke designs that cater to clients' unique needs and desires.
